# THE PRESIDENTS' MESSAGE / NEGES Y LLYWYDD

We would like to thank Devynock Agricultural Society for honouring us by asking us to be Presidents for the 2022 show. My late father was President some 25 years ago and I remember the day well, the sun was shining, everyone was dressed very smartly, having a lovely time and the wine was flowing! The problems created by the Pandemic over the last two years, and with the uncertainty of the future, it will be lovely to see everyone back socialising and meeting up with family and friends at the show. The first show I ever

remember was in Trephillip Meadow, we have been very lucky not to miss a show since then. Having lately attended show committee meetings, a special thank you should go to the committee members and its helpers for their hard work organising the show. They manage the show so professionally, adhering to all of the rules and regulations; it really is mind blowing! We've had a great start to the year with fundraising for the Show and Wales Air Ambulance by holding a Promise Auction. It was a fabulous evening and the generosity of our local businesses and local community was outstanding! A huge thankyou to everyone that helped and supported the evening. The next event will be the Tractor Run which will be held on the 21<sup>st</sup> August which will take us on a scenic route over the Epynt.

The only thing we do now is pray for a dry sunny day just like my father had for the show, and everyone comes along and enjoys a great day out. We look forward to seeing you all at the show.

Best Wishes,

Malcolm & Janet

# The Band of the Welsh Guards

The Band of the Welsh Guards was formed in 1915 in the same year as the Regiment. Their first instruments were presented by the City of Cardiff, an act that enabled the band to carry out its first King's Guard Mounting on St David's Day in 1916. That very evening the band gave its first concert on the stage of the London Opera House and immediately established a reputation for high musical standards.

In April 2022 the Band were extremely proud to announce the arrival of the new Director of Music, Major Lauren Petritz-Watts who creates Regimental history by becoming the first ever female Director of Music of the Welsh Guards Band.

Here's my hat. It holds my head, The thoughts I've had, The things I've read.

There's me below it, The sky above it. It's my lid, And I just love it! <u>Poem in my Pocket</u>

In my pocket, feeling round, What is this be that I've found? Pull it out to see and -ooh! Look: a poem, just for you.
