THE PRESIDENT'S MESSAGE / NEGES Y LLYWYDD

Never would I have dreamed of being President of Sennybridge Show! In my living memory it's been a staple event in my calendar. Even though I lived away for many years as I brought up my family, Sennybridge Show was always a day to be spent in Sennybridge and as a lifelong member I never wanted to miss it. It's not just a show; it's an opportunity to catch up with many friends and family who return to the Show annually for the same reason as me.

My first memory of Sennybridge Show was when it was held in Ynysyrwyddfa Farm. When I was older it moved to Tre Phillip Farm, and I have memories of winning a cooking class over several years. Such wonderful memories! For many years now at Dickson's Field and it's still a very important part of country life where locals

can get together to showcase their amazing animals and demonstrate the skills they have honed over the years – something for everyone and every age!

My humble thanks to all those who thought I was worthy of this role. Throughout my year as President, with the support of my daughter, we have done our best to pull the community together by organising a range of events which hopefully have provided some entertainment for all ages. A toe tapping Country and Western night, shopping trip to Bath, a fun Easter Egg Hunt for the children and the most enjoyable trip to Ladies Day at Hereford Races.

There has been tremendous support for these events which ensured their success and Sennybridge Show will reap the benefit in addition to Cancer Research Wales, a charity I have been supporting for 21 years since I lost my husband to this terrible illness. We are hoping for favourable weather for the Show on 6th September so everyone can attend and enjoy the day. My nephew's band "The Lost Cause" will be entertaining those staying late.

On Sunday, we have a super Show Concert with "Sennybridge's Got Talent" theme! It's hard work to arrange this annual show year on year, so sincere thanks to all those who dedicate their free time to making this event a success (the unsung heroes!). Hopefully, more locals will get involved to ensure this special day goes on for another 80+ years. I feel very proud to feel part of this community and have to say this has been one of the best years of my life. "Thank you" for giving me this opportunity. Mary and I would like to wish you all a successful and enjoyable show and look forward to meeting as many of you as possible on the day.

Best wishes

Isobel

160 years of Sennybridge Show

Sennybridge Show is proudly celebrating 160 years of rural heritage, farming excellence, and community spirit. The Devynock Agricultural Society was formed in May 1865 by a group of forward-thinking local farmers and landowners determined to support and improve agricultural practices in the area. It held its first show at Trecastle on 9th September 1865.

From its humble beginnings as a small gathering of local farmers displaying livestock, produce, and rural crafts, the Show has flourished into a vibrant celebration of agricultural life and rural community spirit. Over the decades, it has firmly established itself as a cornerstone of the Welsh agricultural calendar, growing in scale, reputation, and significance.

Throughout its long history, the Show has navigated both triumphs and trials, demonstrating resilience in the face of national and global challenges. From the upheavals of two World Wars to economic downturns, shifts in farming practices, and the recent global pandemic. However, the Show has endured and adapted to changing times while remaining rooted in its core mission: to champion farming, encouraging rural crafts and skills, local heritage and bringing the community together.

Today, visitors can enjoy everything from cattle, sheep, and horse competitions to horticulture, baking, children's crafts, and the great entertainment. It continues to draw in competitors, spectators, and exhibitors from across Powys and beyond.

As the Devynock Agricultural Society and the Sennybridge Show mark their 160th anniversary this year, the milestone is a proud testament to the enduring values of resilience, cooperation, and celebration of the rural way of life. The anniversary is not only a tribute to the past but also a commitment to continuing this cherished tradition for future generations.

To mark the special occasion a ***Celebratory Parade*** will take place in the Main Ring with floats from various local groups and supporters.
