SENNYBRIDGE SHOW | SIOE PONTSENNI

2026

THE PRESIDENT'S MESSAGE / NEGES Y LLYWYDD

It is a great honour to have been asked to be president of Sennybridge Show. I was sitting in the farm office with my daughter, Sam, when Helen Gwarllan came to ask me. I accepted on one condition – that Sam would help with the organising and she has done an outstanding job. First Sam organised the Easter Monday Children's Fun Day, which was a great success, and later arranged a fantastic day out at Chepstow Races. Both events were well supported and brought the community together, creating some wonderful memories.

Since becoming President, we have attended the Show meetings, and I have been amazed by the amount of work that goes on behind the scenes. I must mention Ian and Marc as they put a huge amount of their time and effort along with the committee to make the Show run smoothly on the day.

I have attended Sennybridge Show for many years and have enjoyed organising and sponsoring the commercial cattle section. This year I'm delighted to sponsor all the cattle classes, both commercial and pedigree, and I hope we will see a great turnout at the wonderful Grand Livestock Parade in the Main Ring.

I have been showing cattle for around 36 years, my first show at the Royal Welsh Winter Fair in 1990, where I won Supreme Reserve Champion. I have been fortunate to win the title seven times since, and maybe one day I will finally win the Supreme Champion! It has also been a real pleasure to see my granddaughters, Katey and Lucy, following the same path and showing cattle themselves. It was my dream come true to see them both showing at the Winter Fair last year in 2025, and looking forward to seeing them both again this year.

On Show night, Sam has booked The Lost Cause band to keep us entertained, and on Sunday 'The President's Musical Extravaganza' Concert, showcasing all the exceptional local talent. We hope as many of you come along and support.

Sam and I are looking forward to a wonderful Sennybridge Show and hope you all have a fantastic weekend.

Thank you

Elfed & Sam

Defynnog Vintage Machinery Display

The **Defynnog Vintage Society** was founded in 1994 by a small group of enthusiasts. Over the last 30 years the club has maintained a core value of involvement within the community. It has served as a hub for enthusiasts of vintage transport and machinery, uniting local history preservation, community fellowship, and a shared passion for mechanical heritage.

They have been an integral part of Sennybridge Show, especially through their much-loved displays in the Main Ring. A standout moment was their exceptional contribution to the Show's 150th Anniversary in 2015.

Interhunt Relay

Following its hugely successful debut at last year's Show, the Interhunt Relay returns to Sennybridge Show for another thrilling display of speed, skill and teamwork.

Expect plenty of action as pairs of riders from local hunts and further afield race head-to-head around a challenging relay course, tackling fences, tight turns and precision handovers against the clock. With pride, prestige and friendly rivalry at stake, this fast-paced spectacle is guaranteed to keep the crowd on the edge of their seats and is once again set to be one of the highlights of the Main Ring programme. It's a true test of horsemanship, coordination, and team spirit, with riders not only competing for victory but for the honour of representing their hunt.

Kids' Sports – Main Ring

There will be children sports and activities in the Main Ring before the Speed Shearing. All those interested to take part must report to the Main Ring after the Interhunt Relay. Open to all children.

Syringe Driver instructions for Class 28

Material needed:

Cut 2 pieces of different washable fabrics 60cm x 25cm for the bag. Cut a single long piece 140cm x 12cm for the strap.

Bag:

- With right sides together sew down the length, across one width and up the other length of the two pieces of fabric to form a bag, like a pillowcase, leaving a 2cm seam around the edge.
- Fold the open edge in and sew across the top creating one long piece of fabric, with all seams on the inside. Fold this in half. This will form your bag which should be approx. 27cm long x 10.5 cm x 4cm.
- The sides of the bag will now be made up of four layers. Sew from the fold to the opening on each side of the bag 1cm in from the edge. The contrast on the inside shows on the outside like 'piping'.

Strap:

- Fold in the edges of the strap fabric about 2cm on all sides and iron. Fold in half down the length, so that the right side is on the outside to form a strap about 5cm wide. Sew the open edges across the top, down the length and at the bottom of the strap.

Sew the strap on to the sides of the bag, opening the 'piping'.

Trees

The Oak is called the King of the trees,
The Aspen quivers in the breeze,
The Poplar grows up straight and tall,
The Peach tree spreads along the wall,
The Sycamore gives pleasant shade,
The Willow droops in water glade,
The Fir tree useful timber gives,
The Beech amid the forest lives.

Poem for Handwriting - Class 100

Our Earth

Every living thing is beautiful,
And should be looked after,
Rabbits, reeds and red kites,
Trees and plants should be left to grow,
Please help to look after our world.
